Mecklenburgische Versicherungsgruppe introduces in|sure PSLife for the life insurance division

Dortmund, September 28th, 2020 – Mecklenburgische Versicherungsgruppe from Hannover has decided to introduce in|sure PSLife by adesso insurance solutions. In the future, both new business and existing contracts in the life insurance division will be administrated based on in|sure. The go-live with all the current insurance products and rates plus the accompanying portfolio processing is planned for the beginning of 2022. By the end of 2023, all contracts with older rates are expected to have been migrated to the modern administration software.

With over 222 years' experience, Mecklenburgische is Germany's oldest private insurance company with national business operations. 24 regional head offices and two sales offices nationwide support the over 800 full-time agents on site. The life insurance division accounted for more than a fifth of the total premium income of 594 million EUR in 2019.

adesso insurance solutions GmbH

The software company adesso insurance solutions, a wholly owned subsidiary of the listed company adesso SE, develops and implements standard software for the German-speaking insurance industry. On its in|sure platform, the Dortmund-based company bundles release capable standard software products and offers software and services designed to manage the technical business processes of its customers. All in|sure products cover the core processes of an insurance company. They can be used as an entire application landscape in|sure Ecosphere or as individual, flexibly combinable components. The in|sure product family includes tools for partner management, policy or claim management for all insurance lines, product modeling, and payment transactions, and IT solutions for commission and collection/disbursement processes. In addition, adesso insurance solutions offers a system which allows for software-assisted data migration and self-learning AI for seamless straight through processing.
