

Press Release

adesso insurance solutions appoints Sven Schlünzen to the Management Board

Industry expert responsible for sales and expansion of business with insurance products

Dortmund, 4 February 2025 - Sven Schlünzen joined the management of adesso insurance solutions GmbH, a provider of standard software for the insurance industry and a wholly owned subsidiary of adesso SE, in January 2025.

As Managing Director for Sales, Schlünzen will be responsible for all of the company's sales activities in future. This includes the sales management of the traditional software business as well as the strategic development of the existing business model. Schlünzen will also lead the expansion into new market opportunities, including the platform business, while strengthening collaboration with existing customers and partners. In his new role, he will report directly to Dr Andreas Nolte, Spokesman of the Management Board of adesso insurance solutions.

“adesso insurance solutions is an excellently positioned company with great, skilled people,” emphasises Schlünzen. “As Managing Director for Sales, I will focus on the needs of our customers, understand their challenges in the best possible way, and together we will solve them. At the same time, it is important to me to continuously develop the company and its employees in order to create sustainable value for us and our customers in the market of the future. I am looking forward to this task.”

Sven Schlünzen has more than 25 years of experience in the insurance industry. Before joining adesso insurance solutions, he worked as a managing director in consulting companies and in various management positions at large insurance companies in Germany, Poland, the UK, and Switzerland. In these roles, Schlünzen was responsible for business development, sales, market development, and major pan-European IT projects for outsourcing, nearshoring, and automation.

Andreas Nolte is delighted with the reinforcement: “With Sven Schlünzen, we have gained a very renowned and skilled industry expert for adesso insurance solutions. His experience and network will play an important role in the systematic expansion of existing business areas and the identification of new markets.”
